

IPI'S ANNUAL PROFESSIONAL RECOGNITION PROGRAM

The International Parking Institute (IPI) understands the critical nature that facilities and programs play in our business. However, our most valuable assets are our human resources: the staff who operate, maintain and manage our operations. To recognize the contributions of individuals to our industry, IPI is conducting the 4th Annual Professional Recognition Program.

At this time, nominations are being accepted; **nomination deadline is February 27, 2010.**

IPI's 4th Annual Professional Recognition Program competition consists of five (5) categories:

- **Parking Professional of the Year** (for management/supervisory staff that directs an entire operation or manages multiple units within a department)
- **Parking Supervisor of the Year** (supervises one or more employees within a department responsible for only one unit within the department)
- **Parking Staff Member of the Year** (for front-line staff)
- **Parking Organization of the Year**
- **Chairman's Award** (to recognize one member each of the Board of Directors and Advisors)

Nominations are accepted on an annual basis and reviewed by a select committee of regular members appointed by the IPI Chairman of the Board. The Professional Recognition Committee selects recipients to be honored at the IPI Conference & Expo.

Selection criteria should include organizational membership, professional reputation, contribution to the parking industry, creative solutions or innovations, standards of customer service, reliability, breadth of program and service, etc.

Nominations can be made by completing the application on the reverse side. Nominations and supporting documents **must be submitted by February 27, 2010.**
